The Pleasanton Downtown Association and the Fire House Arts Center need your help. Alexander's Main Street Gallery has commissioned a piece by Canadian artist Miguel Frietas, "The Best of San Francisco". The 26"x48" acrylic on wood panel will be raffled on August 4th. This is your opportunity to lend the support to your local arts community it so richly deserves. All proceeds from the raffle will be shared by the Pleasanton Downtown Association for their Mural Project and the Fire House Arts Center. Both are projects which will make art more accessible to the public. You can be part of making that happen. Raffle tickets will be sold by Downtown businesses and non-profits. Ticket must be purchased by August 1st. Take this chance to bring a little more art into your life, by helping bring art into the lives of so many others.
